The Battles of New Orleans

Archeological Investigation in St. Bernard Parish, Louisiana

Part 2 - Figures
The Battles of New Orleans
Part 2—Report Figures

LAMAR Institute Publication Series
Report Number 170, Part 2.

The LAMAR Institute, Inc.
Savannah, Georgia
2011
List of Figures

1. Project Location ................................................................. 1
2. Aerial View of Study Area .................................................. 2
3. Relic of Hurricane Katrina on Murphy Oil Tract, January, 2011 .......................... 3
4. Meraux Canal, Murphy Oil Tract, Facing Northwest from 20 Arpent Canal, 2011 ... 3
5. Murphy Oil Tract, Facing South Toward Villere Plantation, 2011 ......................... 4
6. Meraux Airport Tract, Facing Northeast, June 2011 ........................................... 4
8. Metal Detected Area, LaCoste Plantation .................................................. 5
10. Front Yard of Pecan Grove Plantation, Facing South, 2011 ............................... 6
11. Fallow Field East of Pecan Grove Plantation .............................................. 7
12. Earthworks on the West Bank, Orleans Parish, 2011 ......................................... 7
13. GPR Survey in Pakenham Oaks (16SB88), View to South .................................. 8
14. Metal Detecting along West Bank of Meraux Canal, Murphy Oil Tract .................. 8
15. Large Iron Object, Villere Canal Drainage Pump Vicinity, Murphy Oil Tract ......... 13
16. Metal Detector Conditions in Southern Portion of Murphy Oil Tract ..................... 14
17. Large Iron Hardware Located by Metal Detector, Murphy Oil Tract ..................... 14
18. Investigating Positive Metal Detector Signals at Pakenham Oaks, De la Ronde Plantation (16SB88) ................................................. 15
19. Brick Rubble in Shovel Test, Villere Canal, Murphy Oil Company Tract ............... 15
20. Mapping De la Ronde Ruins, Facing West .................................................. 16
21. Mapping at Villere Canal Facing Northeast, Murphy Oil Company Tract ............ 16
22. GPR Survey East of Delaronde Ruins (16SB88), Facing West ......................... 17
23. GPR Radargram Layout for Blocks A, B and C, De La Ronde Ruins and Pakenham Oaks, 16SB88 ......................................................... 17
24. GPR Radargram Layout Plan, Villere Canal ................................................ 18
25. GPR Radargram, Block G, Villere Canal (South) .......................................... 18
26. GPR Survey in Pakenham Oaks (16SB88), Facing Southwest .......................... 19
27. Hyacinthe's Battle of New Orleans (1815) .................................................. 20
28. Laclotte's Engraving, "Defeat of the British Army..." .................................. 21
29. Battle of New Orleans and Death of Major General Packenham (Yeager 1817, engraving after 1816 painting by William Edward West) ......................... 22
30. Lieutenant John Peddie's Reconnaissance Map .............................................. 23
31. Sketch maps by Colonel Alexander Dickson ................................................. 24
32. J.F. Bourgoyne's Plan of Battlefield, ca, 1815 .............................................. 25
33. Portion of LaTour Battlefield Map (1816) .................................................. 25
34. Portion of Latour Map Showing Key Plantations ......................................... 26
35. Operations Near New Orleans in 1814-1815 .............................................. 26
36. Mauze's White 1815 Map of Battlefield ..................................................... 27
37. Andrew Hyne’s Battlefield Map .................................................................. 28
38. Battlefeild Map by Reid and Eaton (1817) .................................................... 28
80. Soil Probe Locations 1-10, Lacoste Plantation .................................................................56
81. Portions of Peddie Map Showing Bienvenue and De La Ronde Plantations ..........................57
82. Plan of Versaille Subdivision ..........................................................59
83. Lossing’s 1861 Illustration of De La Ronde’s Mansion, View from Pakenham Oaks ..........60
84. De La Ronde Plantation House, Facing North ..............................................................60
85. Photograph of De la Ronde plantation ruins, n.d. .............................................................62
86. Early 20th Century View of De la Ronde Ruins ..............................................................62
87. Samuel Wilson's Schematic of De La Ronde House Ground Floor .....................................63
88. Early-mid 20th Century View of De la Ronde Ruins ........................................................63
89. Mid-20th Century View of De La Ronde Ruins ...............................................................64
90. Mid-20th Century View of De La Ronde Ruins ...............................................................64
91. 1940 Aerial Photograph Showing De La Ronde Ruin and Pakenham Oaks .......................66
92. Current View of De La Ronde Ruins (16SB88) ...............................................................67
93. Current View of De La Ronde Ruins (16SB88) ...............................................................67
94. Two GPR Plan Views of Block A, East of De la Ronde Ruins (16SB88) .........................68
95. Two GPR Plan Views of Blocks B/C, Pakenham Oaks (16SB88) .......................................69
96. Delaronde Ruins Topography and GPR Map Overlay, 16SB88 ........................................70
97. Pakenham Oaks Topography and GPR Overlay ............................................................71
98. Overlay of GPR Plan Maps A-C on Recent Aerial View of Delaronde site, 16SB88 ..........72
99. Portion of Peddie Map Showing Line Jackson and Advance British Positions ...................73
100. Portion of 1873 U.S. Coast Survey Chart Showing January 8 Battle Location ....................73
101. Perspective View of Kaiser Aluminum Factory, Chalmette National Cemetery, Monument and Other Features in 1953 ...............................................................74
102. Lossing’s 1861 Illustration of Chalmette's Plantation ......................................................74
103. Artist Sketch of the Soldier’s Cemetery Inauguration at Camp Chalmette, 1864 ...............75
104. Photograph of Battlefield at Chalmette Cemetery, Facing North, circa 1882 ....................75
105. WPA Workers at Chalmette National Cemetery, 1937 ...................................................76
106. Latrobe’s 1819 Sketch of Battle Ground, Showing Macarty, Rodriguez and Chalmette Plantations ...............................................................76
107. Latrobe’s 1819 Watercolor Sketch of Macarty House and Rodriguez plantation ....................77
108. Latrobe's Plan of the Battlefield ..........................................................77
109. Lossing’s 1861 Illustration of Remains of Rodriguez's Canal .........................................78
110. Jackson's Headquarters [Rodriguez house] .................................................................78
111. Sketch of the incomplete Jackson Monument at Chalmette, January 8, 1902 .................79
112. Early 20th Century View of Chalmette Oaks and Monument ........................................79
113. Early 20th Century Newspaper View .............................................................................80
114. Photograph of Ditch at Line Jackson in 1915 ...............................................................80
115. Location of Birkedal's Test Area 3 (Battery 3) ...............................................................81
116. Projected Location of Line Jackson .................................................................................82
117. Lossing’s 1861 Illustration of Macarte's, Jackson's Head-Quarters ..................................83
118. Three Oaks Plantation (prior to 1907) ............................................................................83
119. Photograph of Three Oaks Plantation ............................................................................84
120. Early 20th Century Newspaper Photograph ..................................................................84
122. Portion of Taylor Map of New Orleans, 1924, Showing Chalmette Vicinity. ........................................... 84
123. Aerial Photograph of Port Slip (right), Chalmette National Monument (center) and Kaiser Aluminum Property (left), Facing South, 1960......................................................... 85
124. Proposed New Lock Study Area, Including Meraux Tract............................................................................. 85
125. Massacre River [Film advertisement]. St. Bernard Drive-In Theater.............................................................. 86
126. Newspaper Photographic View of Battlefield, Unknown Vantage Point, circa 1931. .................. 86
127. Two Plans of Jumonville Plantation ............................................................................................................ 86
128. Two 1831 Plats in Jumonville Vicinity........................................................................................................ 87
129. Portion of 1873 U.S. Coast Survey Chart Showing Myrtle Grove and Pecan Grove Plantations [Jumonville]. ................................................................................................................... 87
130. Undated Early Photograph of Pecan Grove Plantation................................................................................ 88
131. Aerial View of Jumonville Plantation Vicinity............................................................................................ 88
132. Pecan Grove Plantation, 1980....................................................................................................................... 89
133. Recent Aerial View of Pecan Grove Plantation............................................................................................ 89
134. Reconnoitered Area (Shaded in blue) East of Jumonville ........................................................................... 90
135. Advertisement for Old Battle Ground Grocery.......................................................................................... 90
136. Portion of Peddie Map Showing American Defenses on West Bank ......................................................... 91
137. Earthworks Off of Woodland Drive, Orleans Parish .................................................................................... 91
139. Battlefield Artifacts at Chalmette Unit, NPS............................................................................................... 93
140. Battlefield Artifacts at Smithsonian Institution.......................................................................................... 94
141. Newspaper Photograph of Purse Worn by Royal Fusilier......................................................................... 95
142. Examples of Battlefield Artifacts in Private Collections............................................................................ 95
143. Chalmette Unit, Jean Lafitte National Historical Park National Register District ................................ 101
144. Battles of New Orleans Study Area and Core Area.................................................................................. 102
Figure 1. Project Location.
Figure 2. Aerial View of Study Area.
Figure 3. Relic of Hurricane Katrina on Murphy Oil Tract, January, 2011 (Courtesy of Daniel Battle).

Figure 4. Meraux Canal, Murphy Oil Tract, Facing Northwest from 20 Arpent Canal, 2011.
Figure 5. Murphy Oil Tract, Facing South Toward Villere Plantation, 2011 [Visible trace of Villere Canal has been obliterated in this portion of the property].

Figure 6. Meraux Airport Tract, Facing Northeast, June 2011.
Figure 7. Housing Under Construction North of Meraux Airport Tract, Facing Southwest, 2011.

Figure 8. Metal Detected Area, LaCoste Plantation.
Figure 9. Subdivision East of Jackson Line, North of Chalmette National Park, 2011.

Figure 10. Front Yard of Pecan Grove Plantation, Facing South, 2011.
Figure 11. Fallow Field East of Pecan Grove Plantation.

Figure 12. Earthworks on the West Bank, Orleans Parish, 2011.
Figure 13. GPR Survey in Pakenham Oaks (16SB88), View to South.

Figure 14. Metal Detecting along West Bank of Meraux Canal, Murphy Oil Tract.
Figure 15. Large Iron Vehicle Axle? And Wheel Hub?, Villere Canal Drainage Pump Vicinity, Murphy Oil Tract.

Figure 16. Metal Detector Conditions in Southern Portion of Murphy Oil Tract.
Figure 17. Large Iron Hardware Located by Metal Detector, Murphy Oil Tract.

Figure 18. Investigating Positive Metal Detector Signals at Pakenham Oaks, Delaronde* De la Ronde* Plantation (16SB88).
Figure 19. Brick Rubble in Shovel Test, Villere Canal, Murphy Oil Company Tract.

Figure 20. Mapping Delaronde * De la Ronde* Ruins, Facing West [Note: Norfolk Southern locomotive in background].
Figure 21. Mapping at Villere Canal Facing Northeast, Murphy Oil Company Tract.

Figure 22. GPR Survey East of Delaronde Ruins (165888), Facing West.
Figure 23. GPR Radargram Layout for Blocks A, B and C, Delaronde Ruin and Pakenham Oaks, 16S888.

Figure 24. GPR Radargram Layout Plan, Villere Canal.
Figure 25. GPR Radargram, Block G, Villere Canal (South).

Figure 26. GPR Survey in Pakenham Oaks (16SB88), Facing Southwest.
Figure 27. Hyacinthe’s Battle of New Orleans (1815).
Figure 28. Laclotte’s Engraving, “Defeat of the British Army...”.
Figure 29. Battle of New Orleans and Death of Major General Packenham on the 8th of January 1815 (Yeager 1817, engraving after 1816 painting by William Edward West).

Figure 30. Lieutenant John Peddie’s Reconnaissance Map, 1815 (Courtesy of The Historic New Orleans Collection).
Figure 31. Sketch maps by Colonel Alexander Dickson. Top: Location of battery erected on the riverbank by the British during the night of December 25-26, 1814. Bottom: Location of battery installed by the British along the levee road on the edge of the Chalmette Plain (Dickson 1961).
Figure 32. J.F. Bourgoyne’s Plan of Battlefield, ca, 1815 (Bourgoyne 1815).

Figure 33. Portion of LaTour Battlefield Map (1816).
Figure 34. Portion of Latour Map Showing Key Plantations (Latour 1815).

Figure 35. Operations Near New Orleans in 1814-1815 (Cope 1877:187).
A. New Orleans, 1815. [Pen and ink]; B. Inset (White 1815).

Figure 36. Maunsel White’s 1815 Map of Battlefield.
Figure 37. Andrew Hyne’s Battlefield Map, n.d. (Andrew Hyne papers).

Figure 38. Battlefeild Map by Reid and Eaton (1817).
Figure 39. Three Maps of Confederate Entrenchments in Study Area.

A. Portion of Abbot's Approaches to New Orleans, Showing Confederate Trenchwork (Abbot 1863); B. Confederate's Chalmette Lines, Left Bank, 1862 (adapted from Greene 1985:Figure 12); C. Portion of Civil War Atlas Map Showing Confederate Defensive Line (Abbot 1863).
Figure 40. Mississippi River Chart Showing Corrine [Villere] and Myrtle Grove [Jumonville] Plantations, 1873 (U.S. Coast Survey 1873).
Figure 41. Portion of 1878 Map Showing Battlefield (North is to right) (U.S. Coast Survey 1878).
Figure 42. Four Land Office Plats of Battle Vicinity.
Figure 43. Two Land Office Plats of Lands in Battle Vicinity.
Figure 44. Portion of 1884 Map of the City of New Orleans, Showing Upper Battlefield Vicinity (Department of Installation 1884).

Figure 45. Portion of Map of New Orleans, Showing Battlefield Vicinity (Therard 1906).
Figure 46. Portion of 1890 Map Showing Bayous North of Battlefield (North is to Left) (USGS 1890).
Figure 47. Portion of Map of Greater New Orleans, Showing Battlefield Vicinity (Boesch 1931).

Figure 48. Map of Battlefield (Times Picayune 1936:10).
Figure 49. Portion of 1936 Chalmette Quad Showing Battlefield (North is to left) (U.S.G.S. 1936).
Figure 50. Portion of 1873 U.S. Coast Survey Chart Showing Corrine [Villere] Plantation.

Figure 51. Sketch of "Pakenham Canal", or the Modified Villere Canal (Times Picayune 1891:10).
Figure 52. Portion of Peddie Map Showing Villere and Jumonville Plantations (Peddie 1815).

Figure 53. Portion of Peddie Map Showing Northern End of Villere Canal at Bayou Catalan [Mazant] (Peddie 1815).
Figure 54. Surveyed Areas of Murphy Oil Co. Tracts (in red).
Figure 55. Potential Battle Related Artifact Cluster, Murphy Tract 1.

Figure 56. Villere Canal, Facing North-Northeast, 2011.
Figure 57. LAMAR Institute Volunteers Perform Soil Probes on a Cross-Section of the Villere Canal, Facing North, 2011.

Figure 58. Drainage Pump Ruin, Villere Canal, Facing East.
Figure 59. Interior of Drainage Pump Foundation Ruin, Villere Canal, Facing North, 2011.

Figure 60. Enshrined Brick Ruin of Probable Drainage Pump Foundation, Villere Canal, Within Oil Refinery Complex, 2011.
Figure 61. Enshrined Brick Ruin of Probable Drainage Pump Foundation, Villere Canal, Within Oil Refinery Complex, 2011.

Figure 62. Topography of Sample Section of Villere Canal.
Figure 63. Villere Canal Mapped Segment with GPR Overlay Map.

Figure 64. North View of Soils in Shovel Test in Eastern Berm of Villere Canal, 2011.
Figure 65. GPR Plan Map of Block E, Villere Canal.

Figure 66. Lossing’s 1861 Illustration of Villere’s Mansion (Lossing 1869:1029).
Figure 67. Sketch Entitled, "The Villere Plantation House, head-quarters of Packenham" (Pennell 1883).

Figure 68. Villere Plantation House (Arthur 1915:95).
Figure 69. "Pakenham Pecan" at Villere Plantation in 1915 (Arthur 1915:*229).

Figure 70. Villere Plantation (Wilson 1965).
Figure 71. Photograph of Villere House, circa 1930s.

Figure 72. Aerial View of Villere Plantation (USACE 1940).
Figure 73. Times Picayune’s Artist Sketch of Villere Plantation, then Known as Corrine (Seiffrth 1891:10).

Figure 74. Lossing’s 1861 View of Celebrated Pecan-Trees on Villere Plantation (Lossing 1869:1052).
Figure 75. Portion of Peddie Map Showing LaCoste Plantation (Peddie 1815).
Figure 76. Plan of the Lacoste Plantation Divided into Large Lots (Notarial Archives n.d.).
Figure 77. Lossing’s 1861 Illustration of Lacoste’s Mansion (Lossing 1869:1031).

Figure 78. Lacoste Plantation, Before 1953 (Frances B. Johnston Photograph Collection 1864-1952).
Figure 79. Portion of 1940 Aerial Showing Lacoste Plantation Complex (USACE 1940).

Figure 80. Soil Probe Locations 1-10, Lacoste Plantation (FEMA 2011).
Portion of Peddie Map Showing Bienvenue and De La Ronde Plantations and British Troop Positions.

Figure 81. Portions of Peddie Map Showing Bienvenue and De La Ronde Plantations (Peddie 1815).
Figure  Plats of De La Ronde and LaCoste Plantations.
Figure 82. Plan of Versaille Subdivision (Notarial Archives n.d).
Figure 83. Lossing’s 1861 Illustration of De La Ronde’s Mansion, View from Pakenham Oaks Allee (Lossing 1869: 1034).

Figure 84. De La Ronde Plantation House, Facing North (Mugnier ca. 1885).
Two Undated Postal Cards of De La Ronde Plantation
(Courtesy of Tommy Ryan).
Figure 85. Photograph of De la Ronde plantation ruins, n.d. (State Library of Louisiana).

Figure 86. Early 20th Century View of De la Ronde Ruins (Alexander Allison Photograph Collection 1905-1915).
Figure 87. Samuel Wilson’s Schematic of De La Ronde House Ground Floor Plan (Black areas were extant in 1949) (Wilson 1965).

Figure 88. Early-mid 20th Century View of De la Ronde Ruins (Alexander Allison Photograph Collection 1925-1930).
Figure 89. Mid-20th Century View of De la Ronde Ruins (Alexander Allison Photograph Collection 1955).

Figure 90. Mid-20th Century View of De la Ronde Ruins (Alexander Allison Photograph Collection 1955).
Figure 91. Mid-20<sup>th</sup> Century View of De la Ronde Ruins (Alexander Allison Photograph Collection 1955).
Figure 92. 1940 Aerial Photograph Showing De la Ronde Ruin and Pakenham Oaks (Mississippi River in lower right) (USCOE 1940).
Figure 93. Current View of De la Ronde Ruins (16SB88), View from Northwest Corner to Southeast, March, 2011.

Figure 94. Current View of De la Ronde Ruins (16SB88), View of House Interior from North Wall, View to South, March, 2011.
Figure 95. Two GPR Plan Views of Block A, East of De la Ronde Ruins (16S5888). North is to the right in this view.
Figure 96. Two GPR Plan Views of Blocks B/C, Pakenham Oaks (16SB88). North is to the left in this view.
Figure 97. Delaronde Ruins Topography and GPR Map Overlay, 16SB88.
Figure 98. Pakenham Oaks Topography and GPR Overlay.
Figure 99. Overlay of GPR Plan Maps A-C on Recent Aerial View of Delaronde site, 16SB88.
Figure 100. Portion of Peddie Map Showing Line Jackson and Advance British Positions (Peddie 1815).

Figure 101. Portion of 1873 U.S. Coast Survey Chart Showing January 8 Battle Location.
Figure 102. Perspective View of Kaiser Aluminum Factory (in foreground) and Chalmette National Cemetery, Monument and Other Features (in background) in 1953, Facing West (Binczewski 2002:Figure 2).

Figure 103. Lossing’s 1861 Illustration of Chalmette’s Plantation (Lossing 1869:1039).
Figure 104. Artist Sketch of the Soldier’s Cemetery Inauguration at Camp Chalmette, 1864 (Burnvill 1864).

Figure 105. Photograph of Battlefield at Chalmette Cemetery, Facing North, circa 1882 (Lillenthal ca. 1882).
Figure 106. WPA Workers at Chalmette National Cemetery, 1937 (State Library of Louisiana).

Figure 107. Latrobe’s 1819 Sketch of Battle Ground, Showing Macarty, Rodriguez and Chalmette Plantations (Latrobe 1951).
Figure 108. Latrobe’s 1819 Watercolor Sketch of Macarty House and Rodriguez Plantation, Latrobe 1951).

Figure 109. Latrobe's Plan of the Battlefield (Latrobe 1819).
Figure 110. Lossing’s 1861 Illustration of Remains of Rodriguez’s Canal (Lossing 1869:1042).

Figure 111. Jackson’s Headquarters [Rodriguez house] (Cable 1884:195).
Figure 112. Sketch of the Incomplete Jackson Monument at Chalmette, January 8, 1902 (Times Picayune 1902:11).

Figure 113. Early 20th Century View of Chalmette Oaks and Monument (Detroit Publishing Company 1915).
Figure 114. Early 20\textsuperscript{th} Century Newspaper View, Entitled “Earthworks Thrown Up to Defend New Orleans in 1815” (\textit{Times Picayune} 1915:25).

Figure 115. Photograph of Ditch at Line Jackson in 1915 (Arthur 1915:127).
Figure 116. Location of Birkedal's Test Area 3 (Battery 3) (Birkedal 1999:367).
Figure 117. Projected Location of Line Jackson (in purple).
Figure 118. Lossing's 1861 Illustration of Macarte’s, Jackson's Head-Quarters (Lossing 1869:1037).

Figure 119. Three Oaks Plantation (prior to 1907).
Figure 120. Photograph of Three Oaks Plantation (Times Picayune 1910:59).

Figure 121. Early 20th Century Newspaper Photograph, Entitled, “Old Structure at Chalmette that Witnessed Battle” (Times Picayune 1915:25).

Figure 122. Portion of Taylor Map of New Orleans, 1924, Showing Chalmette Vicinity.
Figure 123. Aerial Photograph of Port Slip (right), Chalmette National Monument (center) and Kaiser Aluminum Property (left), Facing South, 1960 (reproduced in Risk 1999:22, Figure 15).

Figure 124. Proposed New Lock Study Area, Including Meraux Tract (Irion et al. 1994:2, Figure 1).
Figure 125. Massacre River [Film advertisement]. St. Bernard Drive-In Theatre (Times Picayune 1949:51).

Figure 126. Newspaper Photographic View of Battlefield, Unknown Vantage Point, circa 1931 (Rall 1931).

A. Plan of Jumonville Plantation in 1768 (Olivier 1768, reproduced in Swanson 1985);

Figure 127. Two Plans of Jumonville Plantation.
Figure 128. Two 1831 Plats in Jumonville Vicinity.

A. Plat of Section 2, T13S, R13E, for C. Devilliers;
B. B. Plat of Section 3, T13S, R13E, for Samuel Young (State Land Office 1831).
